Notes on Use of this Index

The following combined Every Name Index to many German-Speaking books compiled by Picton Press contains a total of 477,163 entries. Women are indexed whenever possible under both their maiden and married name(s). Maiden names are given in parentheses, thus Mary (Smith) Jones. When the maiden name is unknown, it is given thus: Mary (--) Jones. As always, readers are cautioned to check under all conceivable spellings. The index is listed in the following order:

Last name, First name Our SKU Number Soundex

You can search the index by jumping to a particular letter using the bookmarks on the left-hand side, or you can search using the Find function in this PDF file. Our SKU numbers refer to the following books:
