

TAMMY GROSS

SCREENWRITER/AUTHOR

Before starting her own screenwriting career Tammy worked as a copy editor at a Chicagoland newspaper in the 1980s. She has completed novels and short stories and also freelanced as a graphic artist and proofreader. Since the 1990s Tammy has worked on arranging, performing and composing music for her “day job.” Ms. Gross has written an award-winning action-adventure screenplay *The treasure galleons* about the 1715 treasure ships. Her YA novella version of the screenplay will be available at our book signing. Tammy's more epic, political and adult-oriented version of *The treasure galleons* will be released as a full-length novel on Christmas Day, 2015. Tammy is developing this version into a mini-series. These events mark a turning point in the colonial Americas, pointing the Western psyche toward democracy.
